## KAUAI GRAMMAR WINS TITLE IN SOCCER LEAGUE

### Noses Out Victory in Final Game; Koloa Finishes in Second Place

LIIHUE, Kauai, May 5. — The last games of the season in the intercollegiate soccer league were played off Friday and Saturday, May 4 and 5.

At Kapaia on Friday afternoon the Kahuna school team defeated Koloa by the score of 2 to 0. The Koloa players kept the visitors hustling every minute of the play but superior playing by the Lihue forwards made the score possible.

Kapaia has developed wonderfully for a new team and next year can be counted on to stand up high in the list.

Lihue school has also played a fast and exceptionally clean game and deserves every point it has won.

Koloa performed as expected and sent the Kahuna team down to defeat at Koloa on Friday afternoon. A large and enthusiastic crowd turned out to see the final game and cheered and cheered as the scores were made.

Manuel Joaquin was again the star Koloa performer and was well backed up in the attack by Palama and Yokoyama.

The Koloa kicking was exceptionally strong and the ball was passed almost the length of the field on some of the plays. Goncalves and Hamaku carried the bulk of the battle for Koloa, but were finely supported by their teammates. The final score was 2 to 0 in favor of Koloa.

### Kauai Grammar Defeats Elele

The crucial contest of the series was that played between Elele and the Kauai grammar school at the High School grounds at Lihue on Saturday afternoon.

A win meant victory for the series for Grammar School while a draw would have left the team tied with Koloa for first place. Had the game been lost the Koloa would have gone to Koloa.

With this in mind the Grammar School team went to the game with a determination to win and they played with the energy and spirit that they were capable of. They were not right at edge and never let the game get rough. They were not the team that was ragged and hotly contested the game of the day, but the most spectacular kicking was shown.

Elele has some powerful players and they drove the ball against Grammar School. However, the Grammar School, which showed that it is the strongest team in the league by returning the balls to his forwards some 60 or 70 yards at a time.

In the first half Grammar scored one goal but fouled on the play and it was not allowed. The half showed the score 0 to 0.

The second period of play started

## Punahou and St. Louis in Battle Today

St. Louis and Punahou, rivals in baseball, will meet this afternoon at Alexander field in the first battle between these two teams in the interscholastic series. The Saints should be the favorites to win as they have one thing necessary to baseball which is teamwork.

Hayseiden, Rodrigues or Markham will work for St. Louis and Bergman may use Baldwin with Kaupane or Wadsworth catching. Kurisaki will be behind the plate for St. Louis. The probable lineup for the game today at 3:30 is:

St. Louis—Fun Luke, rf; Haneberg, 2b; Kurisaki, c; Lai S. N. 1b; You Bun, ss; King, 3b; Chun Chew, cf; Lam Wing, lf; Hayseiden, Rodrigues and Markham, p.

Punahou—Akana, lf; Mahikoa, rf; Baldwin, p; Fessoth, ss; Wadsworth, c; Kaupane, 3b; Luke, 2b; Peterson, Decker, 1b; Chang, cf.

With Grammar determined to score and they carried the ball through the field to a score by brilliant team work and accurate passing. Manzi Ouyé, the Grammar captain, put the ball through with a fine drive taken at full speed.

Ouyé has been the most consistent scorer in the league and has played the position of center-forward brilliantly, as well as managed his team with judgment and skill.

There was no further scoring during the game, although Grammar tried a penalty kick.

Elele is going at top speed now and the last three weeks has been making a fine showing. They should have a higher place in the league standings. Tanaka, the Elele goalkeeper, is one of the best players in the league, while Eddie Ah Nim and Wong Sung are both star players and kick the ball splendidly.

The final score was Elele 0, Grammar School 1. John Fernandes, the star St. Louis athlete, refereed the game.

## Ball Players Parade at Grand Opening of Oahu-Service League at Moiliili

One of the features of the opening of the Oahu-Service League on Sunday was the parade by the players of the two teams. With the band playing in the stands the teams marched out on the field and made a very impressive showing. Senator Charles Chillingworth, president of the Oahu-Service League, is leading the team in the parade. Johnson, the big catcher of the 25th Inf., is wielding the bat. Charley Lyman and Lang Akana are in the second row, next to Morgan of the Wreckers.

Franco of the Spalding team and Akana of Coombs are leading the Commercial League in hitting, although Simao and Kahaulelo of the Advertiser team is right behind.

Service First is leading the Commercial League in team hitting and the Star-Bulletin team is at the top in fielding.

Fun Luke and You Bun, who surely pulled off two pretty plays in the Pacific League last Saturday afternoon.

Diehl, the second sacker for the Hawaiian Electric, looked good in the game on Sunday and ought to land a job on one of the Pacific League teams.

Gomes, the shortstop on the Hawaiian Electric team, looks like a real ball player and should be a real star this year. Murashige was shifted to center to make a place for this hustling ball player.

Yim and Kai Yea broke through with three clean bingles on Sunday in the Honolulu Junior League.

Yamashiro, the little first sacker of the Asahis, is the leading hitter of the Pacific League to date. Mahaulu of the Hawaiis is in second place. Yamashiro landed four hits out of four times up.

Marcel, the third sacker of the Filipinos, played great ball against the Asahis on Sunday. Saiki handled the keystone sack in excellent shape for the Japanese team, and with Zenmura at short the lineup looks better than before.

Yim, the shortstop for the Spalding team, looks like a good ball player and handled his position in nice shape. He doesn't hit quite so well as Planas, the short fielder of the Star-Bulletin team, but covers a lot of ground. At that Yim is not at all weak with the stick.

Hesca, who pitched for the Electric, had a lot of stuff on the ball. He also pitched good ball for the Nationals and held the Electric team to a few hits. Plaça pitched a good game against the Asahis recently and he did not get on the mound in Nishida might have landed his game.

The Service First team made 17 hits to start the league on Sunday. They received for the Reach ball and started the Hawaiian in good shape.

The umpiring this time is being done by the boys. Each school brings along its own umpire, coached for by the principal. The teams then exchange on the field so that there may be no question of partiality. This system is working out satisfactorily, the boys umpires justifying the confidence placed in them, handling their games efficiently and fairly. This is considered by the school authorities and by those who are promoting the series to be first class training for the boys who do the officiating as well as for the teams that learn to take the decisions made by their fellows.

With good luck in the way of fair weather, the 42 games necessary to decide the championship will be played off by the first of June, leaving ample margin for undivided attention to scholarship before the June examinations begin.
